

A warm welcome to our CARES International Members!

If you are an International hobbyist and do not belong to a CARES Member Club we welcome you as a CARES International Member.

Please register your fish on the contact form titled [CARES Species Registration & Photo IDs](#) and enter CARES International as your club affiliation. The registration process will proceed as for a club member and you will hear from CARES with your registration approval.

For questions, please use the contact form [CARES International](#).

Best wishes and thank you for your concern for and dedication to preserving the future for conservation priority fish!
